

2018-2019

Congratulations! 173 schools/youth

organizations are recognized as River Stars for implementing conservation, restoration and/or habitat enhancement projects. 90 schools met Model Level going above and beyond and 83 met Achievement Level for projects like oyster gardening, wetland plantings, litter clean-ups, recycling, water quality and more.

NEW – This year we recognized 13 schools as Resilient River Stars Schools for implementing projects that addressed how to capture and reuse rainwater, flooding on school properties, how to encourage resilient action and how schools can reduce their carbon footprint. Email rdunbar@elizabethriver.org for more information to participate 2019-2020 schoolyear.
